We are a leading organisation for the implementation of international development projects. We promote inclusive economic, social, and ecological development to make an effective contribution towards sustainable and widespread prosperity in developing and emerging economies.

Swisscontact is a business-oriented independent foundation for international development cooperation. Represented in 39 countries with over 1400 employees, it promotes - since 1959 - economic, social, and environmental development. The focus of systemic interventions in the private sector is strengthening of local and global value chains. The organization is based in Zurich. Swisscontact Bangladesh is registered as an International NGO under NGO Affairs Bureau of Bangladesh. For more information, please refer to [https://www.swisscontact.org/en/countries/bangladesh](https://www.swisscontact.org/en/countries/bangladesh).

Uttoron - Skills for better life is a skills development project, funded by Chevron under Bangladesh Partnership Initiative (BPI) and implemented by Swisscontact. The first phase of the project continued from 2016-2019 and provided skills training to 1400 community youth in Sylhet division. Uttoron phase II has expanded its work and consist of three components, details been stated in annex.

Place of work: Khulna

Background:
Under component 3 of Uttoron project a partnership agreement was signed with Khulna Shipyard (KSY) to upgrade the existing facilities of the KSY training institute to introduce internationally standardized advanced welding training in Bangladesh and imparting training to fifty (50) Uttoron selected applicants. As a part of the agreement Uttoron project will purchase all required machineries and training equipment for establishment of the upgraded workshop.

Task of the consultant:
As per BoQ provide price of items with specifications. For the specifications of the equipment, please see the [detailed BoQ form](https://www.swisscontact.org/en/countries/bangladesh) (Click here).
