Questions and Answers for Bidders

The following questions have been received from applicants indicating an intent to bid on Request for Proposal for Support to the Digitalization of VET Schools in Albania. Through this web page, these questions and the S4J project answers are made available to all bidders.

Question 1

We would kindly like to request clarification on the eligibility criteria for applicants. Specifically, the RfP states that eligible applicants must be:

- Registered Albanian entities in the National Business Centre
- In the case of a consortium, the lead entity must be registered in Albania
- The lead entity must be a for-profit entity

Our organization is a non-governmental organization (NGO), registered in the NGO Registry at the Albanian Court. We are not registered with the National Business Centre and are not a for-profit entity.

In this context, could you please confirm whether our association is eligible to apply either individually or as part of a consortium?

Answer 1

As your organization is a non-governmental and non-for-profit entity, please note that you are **eligible to participate only as part of a consortium**. In such case, the **lead entity of the consortium must fulfill both of the following criteria**:

1. Be a **for-profit** entity;
 2. Be **registered in Albania**, QKB.
