TRAINING MODULES CATALOG SUSTAINABLE COCOA PRODUCTION PROGRAM/SCPP 2017

Swisscontact worked with the donors, private-sector partners and other stakeholders to develop a whole suite of training manuals to address a variety of concerns within the supply chain. These twelve high-quality training modules were developed, used and made publicly available on www.swisscontact.org or are directly accessible through scanning the QR codes or copy pasted its web links. The training modules are written in Indonesian, with the two-part Access to Finance Training Manual also available in English.
