Swisscontact is the business-oriented independent foundation for international development cooperation. Represented in 36 countries with over 1100 employees, it promotes - since 1959 - economic, social and environmental development.

Renewable Energy Skills (RESD) is a bilateral Swiss-Indonesia project, funded by the State Secretary for Economic Affairs (SECO) in cooperation with the Ministry of Research, Technology and Higher Education of the Republic of Indonesia and the State-owned Electricity Company (PLN). In order to ensure successful project implementation (funding to be secured) according to client specifications and achieve the expected impact, we are looking for a Programme Manager for Renewable Energy Skills Development (RESD)

**Employment start:** mid 2020  
**Contract duration:** 4 years  
**Place of work:** South East Asia - Indonesia

**Tasks**
- improving the supply of qualified personnel with higher-level skills competencies taught at Polytechnics/Universities, vocational high schools (SMKs) and other training centers with well-equipped laboratories
- designing courses, training instructors, procuring and setting up relevant equipment in existing laboratories, supervising the delivery of the courses and lab work to students, supervising industry engagement and On the Job Trainings (OJT)
- preparation and launch of new specialization/degree program in renewable energy at SMK and polytechnic/university level

**Requirements**
- Engineering Degree and professional experience in Renewable Energy, preferably in a managerial position
- Working experience in technical vocational education, preferably in Renewable Energy
- At least three years of work experience in Asia
- Strong leader ability to manage a team of local experts independently
- Well established capacity to establish and execute plans with various partners as well as to monitor and evaluate results
- Good budgeting, accounting and reporting skills to assure financial and administrative smooth-running of the project
- Strong negotiation skills and the ability to apply them in a specific cultural context
- Ability to liaise with various stakeholders from private and public sector
- Good communication skills in English
- Capacity to facilitate events, workshops, meetings in a professional manner
- Willingness to travel frequently to project locations

We offer attractive working conditions in an international and multicultural context. We see our work as a joint effort in an agile organizational culture: mutual respect, trust and teamwork.

We look forward to receiving your online application with the following documents: letter of motivation, curriculum vitae, diplomas and references. Please apply exclusively via the online application portal.
